

## **Frequently Asked Questions SDE**

1. What are the courses offered under SDE?

SDE offers both UG and PG courses. The UG courses include BA, B.Sc. Mathematics, B.Com and BBA. PG courses include MA, M.Com and M.Sc. Mathematics.

2. Is the duration of the courses the same as regular courses?

The duration of the courses are the same as that of the regular courses-3 years (6 Semesters) for UG and 2 years (4 Semesters) for PG courses.

3. How to apply for courses under SDE?

Online applications will be invited at the beginning of the academic year. The applicants should register through the link [www.sde.uoc.ac.in](http://www.sde.uoc.ac.in). The printout of the application should be sent to the 'The Director, School of Distance Education', University of Calicut, Calicut university P.O, Pin-673635.

4. How can we avail spot admission?

The candidates should come with the printout of the online registration form , fee receipts in original and all original certificates with self attested copies to the SDE office and get admitted. The certificates will be returned to the candidates on the spot after verification.

5. What are the procedures after getting admission to SDE courses?

After the admission procedure is completed, the Identity cards will be uploaded in the official website, which the students can download. The enrollment number on the Identity card is required for applying for the I Semester Examination. The students should carry the Identity card with them for attending the contact classes and for receiving their study materials from their respective contact class centres.

6. What is Open Entrance Examination and how to apply?

Candidates who have not completed plus two or equivalent examination and wish to obtain BA/B.Com degree can apply for Open Entrance Examination. Applications will be invited online and the candidates who pass the examination can apply for BA/B.Com courses under SDE.

7. Is the change of stream from regular to SDE and vice-versa permissible?

The candidate who have taken admission to UG courses under regular stream are eligible for stream change to the respective courses under SDE. Stream change is permissible from SDE to regular mode in third and fifth semester.

8. Can the candidates who have discontinued the courses continue their courses later on?

Candidates who have discontinued their courses can pursue their studies by applying for re-admission.

9. What is token registration?

The candidates who have not registered for any of the semester examination can avail token registration for applying for the next semester examination without break. They can apply for the missed semester in the subsequent chances.

10. How to apply for transfer certificate?

The TC will be issued from the SDE online for candidates from 2017 admission onwards. The candidates before 2017 admission have to submit hard copy of the application along with identity card and copy of the final semester hall ticket/Consolidated Grade Card.
